

We are sending you the draft plans for the redevelopment of your society considering the tentative additional area. please note that the area of each unit is subject to change as per the final built up area considering the free fungible FSI as per commercial terms agreed between us.

the allotment is also subject to the final planning as aforesaid and the final approval as per NOC from CFO (fire department for refuge area, Metro and other such NOC).

we would like to express our views that pending the DA once the tentative plans are approved by society we can start the approval process in the name of society for which society need to empower the secretary by resolution for appointment of consultants, submission of plans. taking approvals etc at our cost.

APPRECIATING YOU
